EDUCATION

B.E Electronics and communication

MRK institute of technology 2019 - 2023 CGPA - 8.51

Higher Secondary Certificate

Sri ramakrishna vidhayasala Hr.Sec School 2018 - 2019

70%

Secondary School Leaving Certificate

Sri ramakrishna vidhayasala Hr.Sec School 2016- 2017

85%

PROJECT

IoT based smart crop protection system for agriculture

- Create an IoT-based system for agriculture that monitors crop health, detects threats, and provides real-time alerts to boost yield and empower farmers
- IoT based solar data logger system
- Solar tracking is used to maximize power output from a solar power system based on GPS and IOT platforms, especially for moving platforms.

CERTIFICATIONS

- Certification in Java Programming
- Certification in Oracle SQL
- Certification in JDBC
